

Colleague Declaration Form

To Whomsoever It May Concern

I, _____, a colleague of Clarivate, am signing this undertaking to declare that I have willingly chosen to arrange my own transportation from _____ **[Duration]** for commuting to and from office during work shift hours _____ **[Shift timings]**.

I understand that Clarivate provides transportation facilities to all its colleagues, but I have opted to arrange my own transportation due to _____ **[Reason]**.

I am aware of the potential safety concerns associated with traveling at night, and I am taking this responsibility to ensure my own well-being. I will adhere to all guidelines recommended by the local law enforcing authorities (if any), regarding night travel safety. I will remain vigilant, and promptly report any suspicious incidents to the appropriate authorities.

By signing this declaration form, I affirm that Clarivate is not liable for my transportation & safety during my commute from and to the office. I am voluntarily choosing to arrange my own transportation during my work shift hours and will take all necessary precautions to ensure my safety.

I further acknowledge that Clarivate provides its colleagues the option to revise or change their transportation preference on an annual basis during annual enrolment. I understand that, should I wish to do so, I may opt for company-provided transportation in the future, in accordance with the transport policy and the applicable timelines communicated by the organization.

Sincerely,
